ENTREPRENEUR ALUMNI NETWORK

International project "Entrepreneur Alumni Network" 544521-TEMPUS-1-2013-1-DE-TEMPUS-SMHES. Project acronym: EANET. Project duration: June, 2014 – June, 2017. The Coordinator – University of Applied Sciences in Amsterdam, Netherlands. The project is planned to conduct activities aimed at attracting graduates entrepreneurs to the International Network, which will contribute to strengthening cooperation between students and representatives of small and medium-sized businesses to create international start-up projects.

Target group
Students, alumni, faculty and administration of universities, heads of Ukrainian companies and enterprises.

Project goals and objectives
Establishing the entrepreneur network on the basis of alumni from 11 universities in Ukraine, Moldova and Georgia. This network will help to support and promote entrepreneurship among students, academics and alumni and expand the business infrastructure in Georgia, Moldova and Ukraine.

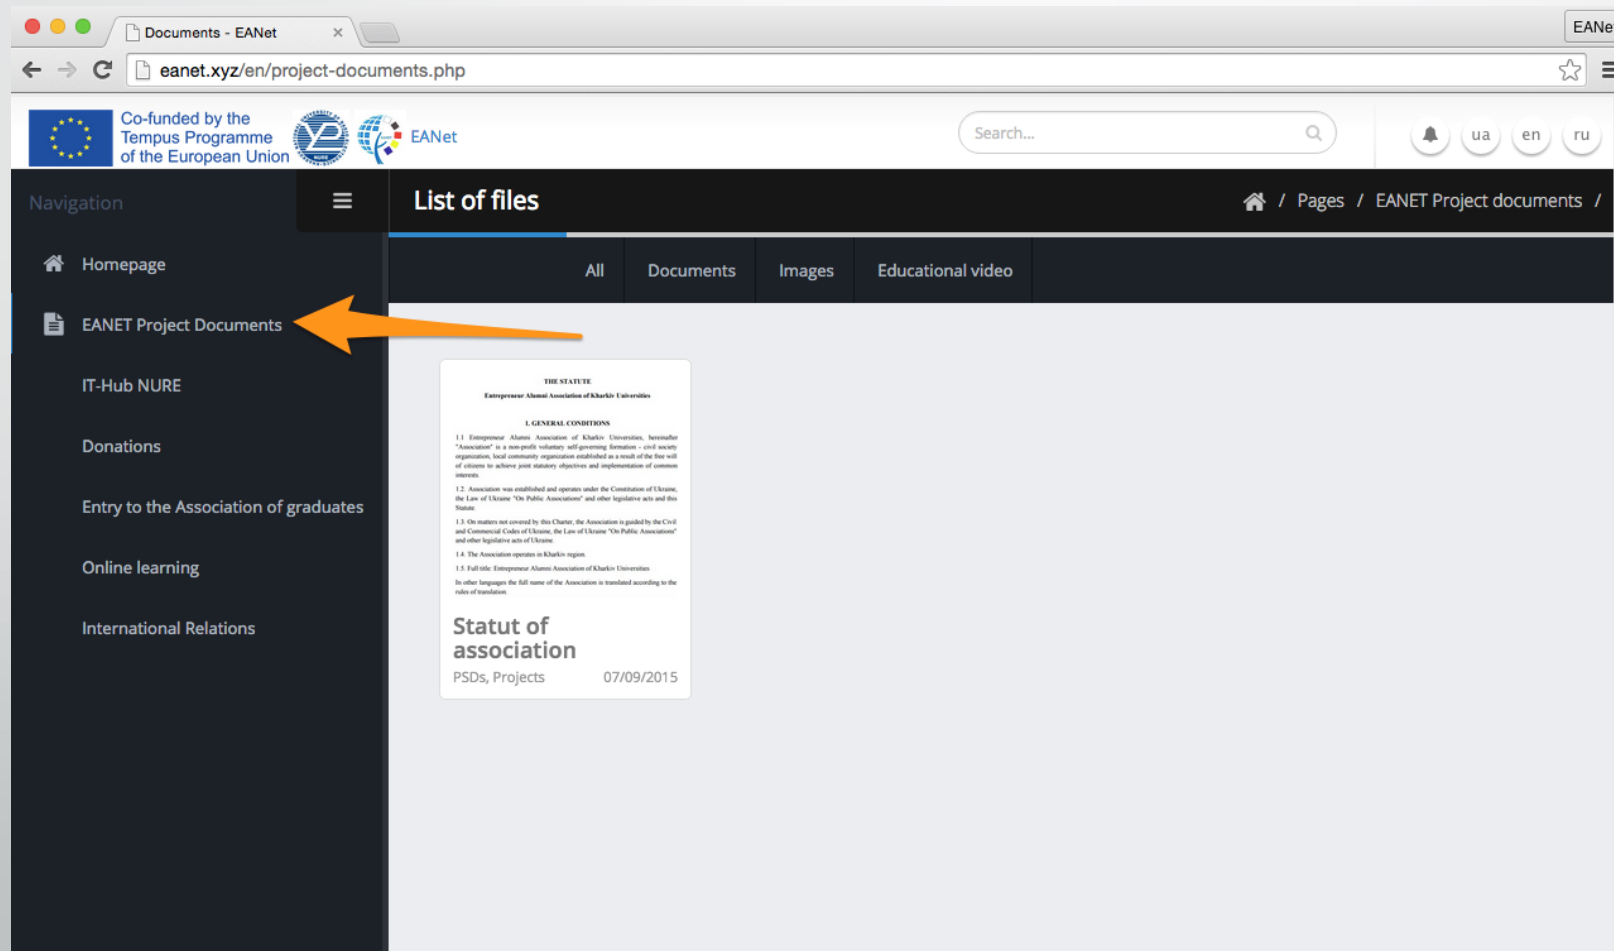

Objectives of the project:

- to create entrepreneurship-related associations at HEIs.
- to create international entrepreneurial networks of universities, experts, external cooperation partners, companies and entrepreneurs.
- to reduce graduates' unemployment by supporting young founders and create international jobs and internships in start-ups.
- to promote active alumni work and act as role models for other alumni associations.

An orange arrow points to the language selection buttons (ua, en, ru) in the top right corner of the page.

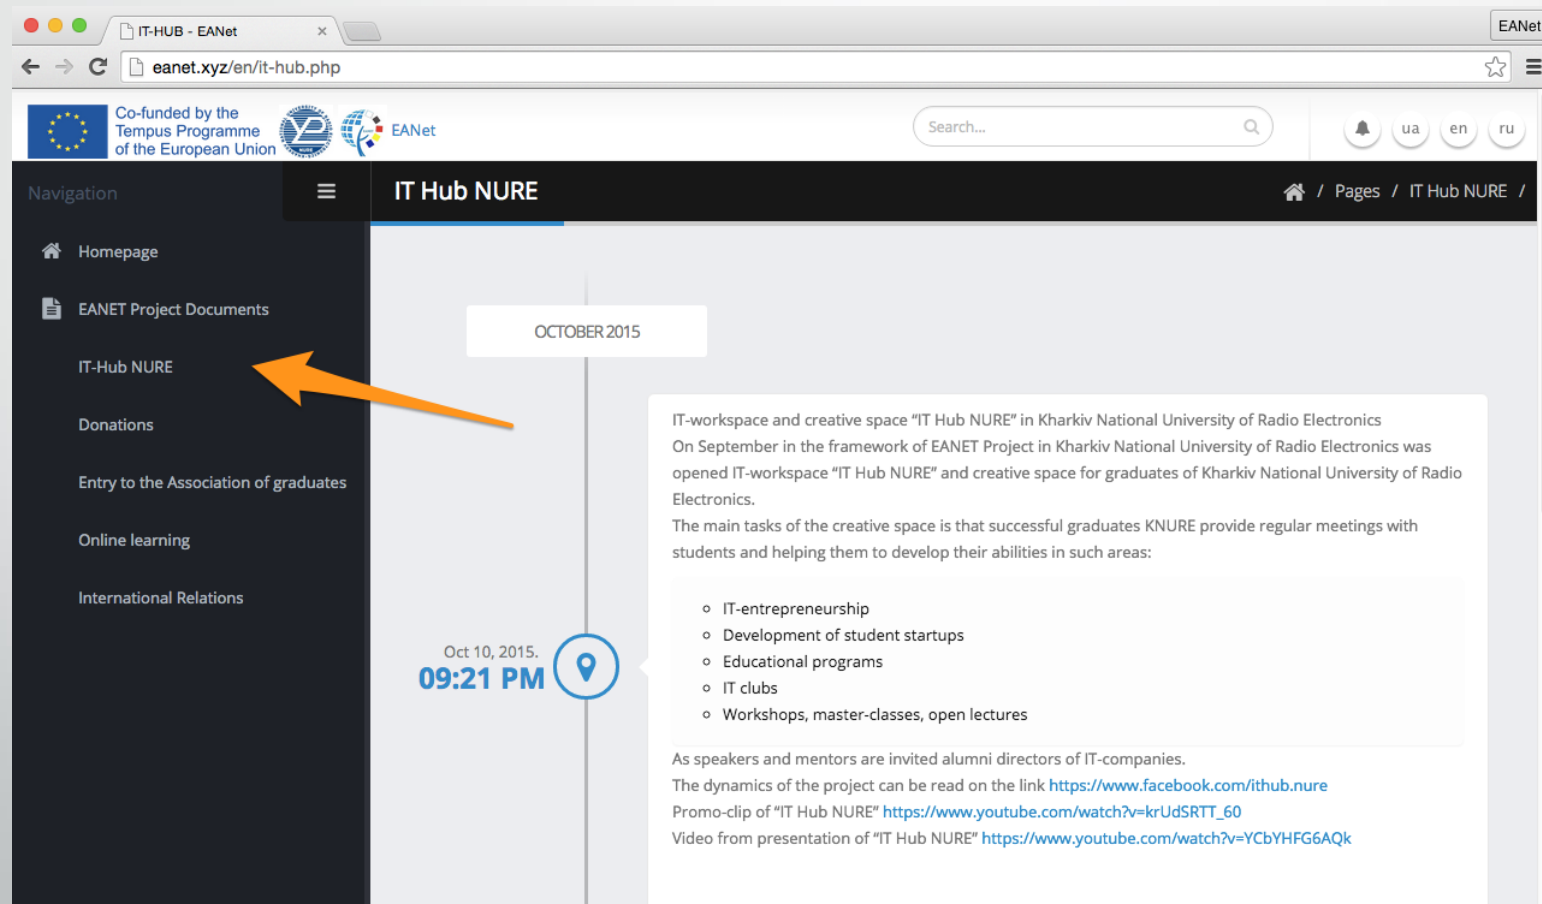

EANET Project Documents

On this page you can get access to all public project documents.
